Cleboroe to duty as a mamber of the naval examining board at Philadelphia. Passed Assistant Paymaster H. T. B. Harris to the Quant on the 15th instant. Chief Engineer

Thomas A. Shock to duty at the navy yard, Norfolk, on the 15th inst. THE BUWONS that the Collector of this city THE REMORS that the Collector of this cuts had abscomded with the corporation funds extended to the Treasury Department, and it was currently reported in the Department preserved but a promisent Treasury official had been detected in triffing with Government funds. This rumor reached the Execu ment funds. This rumor reached the Execu-tive Mansion, and insulry was at once made to accretain the truth of the statement. On referring to the Becrotary of the Treasury he said he had heard suching of the report, and further inquiry traced it to the City

been ordered to convene at the Naval Acad-smy at Annapolis, Md., on Tuesday next, the 11th instant, for the trial of several midshipmen of the first and second class, for violating the rules and regulations of the "tows Academy. The court is to be composed of to aso Academy. The court is to be composed of the following-named officers: Capt. Napo-leon B. Harrison, president; Lieutemant Commanders Silia Casey, George W. Hay-ward, Henry F. Piching, and Lleut. Thomas P. Wilson, members; and John W. Bell, esq., judge advocate.

A CURAN PRIVATEER IN CHARLESTO. Hannon.—Mr. Roberts, the Spanish Minis-ter, has notified the State Department that the steamer Annie, a Cuban privateer crossed the bar of Charleston harbor, and anchored off Fort Sumter, with a portion of the crew of the Hornet on board. The Secretary of State immediately notified the Navy Depart-ment, and it is thought that one of our iron-cinds will be sent to Charleston immediately, in case of an emergency. A revenue cutter, with the United States Marshal on board, has been ordered down to the suspected

lag question has arisen out of the recent sale B. Chase, esq., deputy collector who has to private parties of the Government property had charge of the office since the absence of at Harper's Ferry. The purchasers claim Mr.Boswell, that there has been collected pany have no legal right to run their road through what was, until the recent sale, a Government reservation. Permission to run their track through the Harper's Ferry property was given the company by the secretary of War, thirty years ago. It is laimed that this sale vitlates this permission and that two miles of the rallroad track

RECEPTION OF THE PERUVIAN MINISTER HECUPTION OF THE PERUVIAN MINISTER.—The first reception of Col. Don Manuel Freyro, the Peruvian Minister, took place on Tuesday swening at his residence, corner of Fifteenth and H streets, and was one of the most brilliant ever held in this city. All the Legations were represented, and many the Legations were represented, and many of our most dainquished officials were repre-sented on this occasion. The pariors were graced with the citie of Washington society, and the evening passed most agreeably. Mrs. Freyre was untiring in her efforts to entertain the guests; and the charming music of Madame Garcia and the daughters M. Ruiz added much to the enjoyments of

> to the matter.
>
> After diligent loquiry it appears that on Monday morning last the Mayer gave a corporation check on the First National Bank for \$4,000. The holder presented the check, when he was informed that no such amount was in bank to the credit of the corporation. when he was informed that no such amount was in bank to the credit of the corporation. Habsoquently during the day, however, the deputy collector deposited in the bank, \$86,000, when the aformsald check for \$3,000 was duly honored. This circumstance, it is supposed, gave rise to the dam-aging rumor against Collector Boswell, and which, it is said, was kept in motion by the

which, it is easil, was hept in motion by the his political ensemies.

Mr. Beswell left the city a day or two be-fore Christimas for New Bedford, Massa-chusetts, with the intention of spending the holidays among his relatives and friends nouslays among his relatives and friends there, and was expected home on Wednesday last. Upon calling at the collector's office yesterday, we assertained, through William B. Chase, eag., deputy collector's who has had charge of the office since the absence of that the Baltimore and Ohio Rallroad Com- for taxes from November 2, 1969, to January shown by the books at the collector's office Thus, the grand absconding "hubble" is exploded.

Hall. Lant Fassionable Wandling.— Washington has seldom witnessed a more stylish and imposing marriage, thus Howhood Story, which was solumnized at Epiphany

2 o'clock, the groom and groomsmon enter-ing through the vestry room in front of the reading desk, and the bride and her attendand dress were creamented with exquisite tentls of orange blooms and green vines. Her attendants were dressed uniformly in white tarletan, decorated with flounces and paniers of the same, tastefully looped with blush roses, the same flowers adorating the hair. The gentiemen, of course, were the conventional black suit and white glover.

COMMISSIONER PARKER, of the Indian luction, returned yesterday from New York, the state and at the bride and groom in the where he has been for several days past, attending to business connected with the Indian to business

dian Department. The custom which has prevailed for some years of making contracts for the fall or early winter for Indian goods, to be delivered late in the spring or summer, will not be followed this year. It is believed the Epishany, now as Brooklyn, New York, who read the chaste and beautiful service of the Epishany shows the summer, which was distinctly that in view of the fluctuating condition of the market and the probable decline in gold, that these goods can be contracted for some months later, on terms much more favorable to the officiating clergyman, and the bridating to the forermment. The goods required are generally of a character which are always father, on I street, where a brilliant reception was held.

Remembal of Charges Against Auditor Wickliffs.

New Origans, Jan. 6.—The Governor's
message congratulates the Legislature upon
the improved condition of public affairs,
and the score feeling against property of inch and the good feeling among people of both Conflicting Reports of Affairs races. He takes a careful view of the politi-State. He dance a carring special prosperity of the State. He deprecates the depreciated value of the State bonds, and after a resume of the finances and the material wealth of the

The strike among the telegraphers con-tinues, and as will be seen by the dispatches below the operators appear very determined in their resolution to hold out. We have a statement, through the Asso-ciated Press, that the South has given in State, he says there is no need, so far as ability is concerned, that her bonds should sell for less than par.

He states that credit does not depend upon
the solvency of the party whose securities
are upon the market, nor upon the suffi-

INO.36.

are upon the market, nor upon the sum-cincep of arangement to pay the principal and interest as they accrue; both must be provided for in amount and surely in the method, and the wise use of State credit, sustained by judicious legislation and administered by faithful officers, is all that is nocessary in the premises. He attributes the condition of the bonds to defective legi-

times, and as will be seen by the dispatches below the operators appear very determined in their resolution to hold out.

We have a statement, through the Associated Press, that the South has given in and gene to work, but this is flatly contradicted by the league.

From the dispatches, published and unpublished, the league seems to be gaining members rapidly, the Western Union bringing in country operators to be taken into the league upon their arrival in the cities.

The Washington atrikers held their usual meeting during the aby, and adjourned shortly after 10 o'clock. About mean they ware reliable information to the senting attention, assuring them that they had the sympathy of all the working classes. It symmathy of all the working classes. It is specified them that they were placed in a position which no other class of working men could hold, their league embraciog. as he learned, nearly all the really competent operators in the United States; and it being thus utterly out of the power of the Western Union Company to replace them, the work. too and too managements to advise to operation on loves with Arkansa, Mississippi, Louislana and the General Government, and the assessment of a special tax for love pur-

burg, Mass., have gone out.
CLayeta.ny, Jan. 6.—All firm as a rock.
Nine members added. We credit nothing
from Western Union sources.
New York, Jan. 6.—6 p. m.—Our meeting
this afternoon was addressed by Mr. Troupe,
a member of the scenarios committee of the
Sational Labor Union, and by Mr. Browning, secretary of the same organization in
the State of New York, in which they
tendered us their hearty sympathy and fonatcial support, if required, of their organization. All present are in good spirits and
stand firm. Reports of full force and recruits
arriving at 145 Broadway are false.
New Ontakns, Jan. 8.—Atlanta went out

Election Rices at Longford Stilliary Called Ont-The Fealers Element Exasperated. Duntin, Jan. 6.—Irish journals report that during the Farilamentary election in Longford, which was bitterly contested and of internal improvements, public education, and immigration. He believes that the New Orleans, Mobile and Chattanooga railroad and Ship Island canal will be completed at an early day; also, recommends the imme-diate repeal of the recent gambling law. He did not veto the bill because it was intro-duced in the body of the revenue bill, which did not reach him until the Legislature had

adjor: sed, and could not be segregated nor vetoed without defeating the whole bill, and embarrassing the administration of the laws. embarrassing the administration of the laws.

A bill has been introduced repealing the law. It has passed to its third reading, and will doubtless pass. A joint resolution has been introduced appointing a committee to accertain what tegislation is necessary for the relief of property-holders included in the claims of Mrs. Myra Clarke Gaines. A least resolution means to its third resaling.

joint resolution passed to its third reading requesting the Federal Congress to acknowl-edge the balligerent rights of Oubs. The New Orleans, Baton Rouge and Vicke-burg Railroad Company has been organ-

tion and the mal-administration of the sudi-

isol. This road is regarded as very important, passing as it will through a rich agricultural country.

Governor Warmouth sends a special measage to the Legislature, beginning: "It becomes my duty to communicate to your conorable body grave charges against Geo M. Wickliffe, the Auditor of Public Accounts His offences against the constitution and the laws of the State have seriously emhar-rassed the Government and rendered it difficult to pay the interest on the State bonds He has been guilty of numerons acts in the has been guilty of numerous acts in-volving extortion against individuals and against charitable institutions of the State; also involving frand against the Common wealth, and of collusion with cvil-disposed persons to defraud the same. He has ex-

rtal sums of money from the creditors o the State as a condition precedent to the ness or maintains to waren they were childed by law.

The Governor goes on to cite a number of cases in which he charges the auditor of malfensance, &c.

Gov. McCturg's Message—The Politi-cal Diambility Question. Sr. Louis, January c.—Governor Mc-Clurg's message calls attention to the peace-ful condition of the State, and in view of this fact asks consideration of the expedi emcy of removing political disabilities from those who participated in the rebellion. It does not think it necessary to amend the constitution to effect this, as the constitu-
